11. Discipline.—In respect of discipline, punishment and appeals, the members of the service shall be governed by the provisions of the Rules made applicable to Himachal Pradesh Services from time to time unless one has exercised option otherwise.

12. Seniority of Members of Service.—(1) Persons appointed in a substantive or officiating capacity to a grade prior to the issue of these rules shall retain the relative seniority already assigned to them or such seniority as may hereafter be assigned to them under the existing orders applicable to their cases and shall *en-bloc* be senior to all others in that grade.

Explanation.—For the purpose of these rules:—

- (a) persons who are confirmed retrospectively with effect from a date earlier than the issue of these rules, and
- (b) persons appointed on probation to a permanent post substantively vacant in a grade prior to the issue of these rules.

shall be considered to be substantive member of the grade.

(2) Subject to the provision of paragraph (3) below, permanent member of each grade shall be ranked senior to persons who are officiating in that grade.

(3) **Direct Recruits.**—Notwithstanding the provisions of rule (2) above, the relative seniority of all direct recruits shall be determined by the order of merit in which they are selected for such appointment, on the recommendations of the selection committee persons appointed as a result of an earlier selection being senior to those appointed as a result of a subsequent selection:

Provided that where persons recruited initially on a temporary basis are confirmed subsequently in an order different from the order of merit indicated at the time

of their appointment, seniority shall follow their order of confirmation and not the original order of merit.

Provided further that a person who does not join within the specified period shall lose his seniority according to the select list and shall rank in the seniority list next to the person who joined earlier:

Provided further that the person shall not lose his seniority if the fact of his joining the service later was caused by circumstances beyond his control and for the reason recorded in writing and the appointing authority is satisfied that this was so.

(4) **Promotees.**—Where promotions are made on the basis of seniority subject to the rejection of the unfit, the seniority of persons considered fit for promotion at the same time shall be the same as the relative seniority in the lower grade from which they are promoted, where, however, a person is considered as unfit for promotion and is superseded by a junior, such person shall not, if he is subsequently found suitable and promoted, take seniority in the higher grade over the junior person who had superseded him.

(5) **Relative Seniority of Direct Recruits and Promotees.**—The relative seniority of direct recruits and of promotees shall be determined according to the rotation of vacancies between direct recruits and promotees which shall be based on the quotas of vacancies reserved for direct recruitment and promotion respectively in the Recruitment Rules.

(6) **Transferees.**—The relative seniority of persons appointed by transfer to the service from the other office or the Central Government or the other Department of the Government shall be determined in accordance with the order of their selection for such transfer.

Explanation.—A roster should be maintained based on the reservation for direct recruitment and promotion in the recruitment rules. Appointments should be made in accordance with this roster and seniority determined accordingly.

Illustration.—Where the quotas are 50% each every direct recruit shall be ranked below a promotee. If for any reason, a direct recruit or a promotee ceases to hold the appointment in the grade the seniority list shall not be re-arranged merely for the purpose of ensuring the proportion referred to above.

13. Leave and Pension etc.—In respect of leave, pension and other (cognate) matters not specifically mentioned in these rules the members of the service shall be governed by the provisions of the Rules made applicable to Himachal Pradesh Services from time to time unless one has exercised option otherwise.

14. Other conditions of Service.—In all matters not expressly provided for in these rules, the members of the service shall be governed by general rule, made applicable to Himachal Pradesh Services from time to time unless one has exercised option otherwise.

15. Powers to relax.—Where the Government is of the opinion that it is necessary or expedient to do so, it may by order for reasons to be recorded in writing relax any of the provisions of these rules with respect to any class or category of persons.

16. *Repeal*.—All corresponding rules as in force and the rules promulgated with the Himachal Pradesh Administration notification No. Agr. 2-421/57, dated the 7th December, 1962 and amended from time to time, are hereby repealed;
